

Weather bulletin for sailing events - July 08, 2019

Venue: CII (Circolo Italia)

Current conditions: the bay of Naples is affected by a high-pressure system, which guarantees fair weather. In the next hours, no relevant variations of atmospheric conditions are expected. Therefore, wind field will follow a prevailing breeze regime.

Weather Forecast for July 08, 2019: on race area, sunny or little cloudy conditions will prevail for the entire period of interest. Winds will blow mainly from southwestern. At race start (12:00 PM), average wind speed will be about 10 knots. In next two hours, a slight wind strength will occur: average speed will range from 10 to 14 knots, with gusts up to 16-19 knots. Air-temperature will range between 26 and 28°C (79-82°F), whereas relative humidity percentage will be about 80%. Smooth sea is expected.

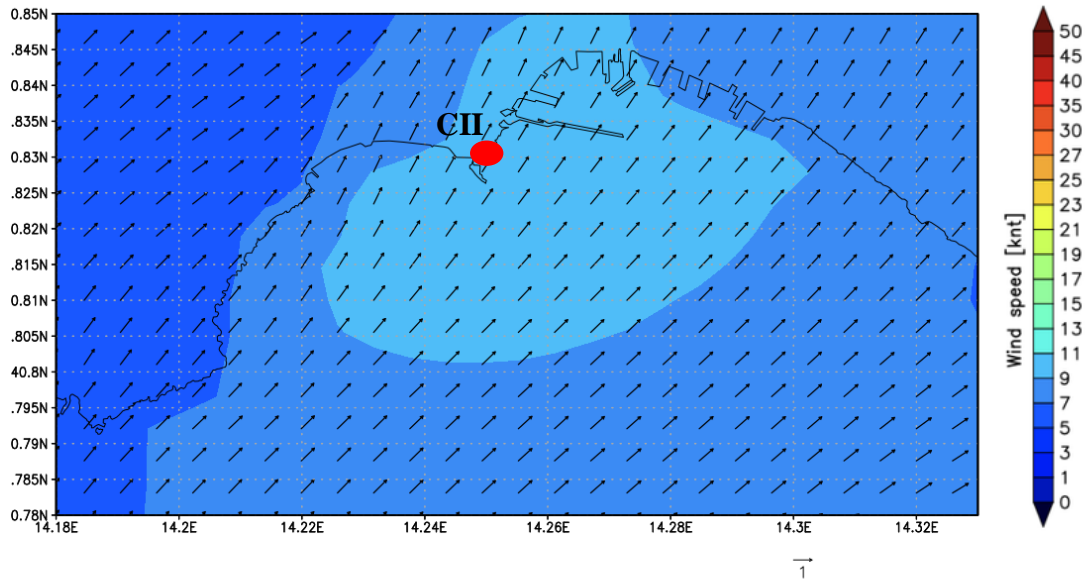

Hourly table forecast for CII (Circolo Italia) venue

Hour (Local)	Sky conditions	Air temperature (°C)	Relative Humidity (%)	Wind (Direction and average speed)	Significant wave height (m)
12:00 PM		26	75	SW – 10 knots	0.3 – 0.5
01:00 PM		26	80	SW – 12 knots	0.3 – 0.5
02:00 PM		26	80	SW – 13 knots	0.3 – 0.5
03:00 PM		27	80	SW – 12 knots	0.5 – 0.8
04:00 PM		28	75	SW – 12 knots	0.5 – 0.8
05:00 PM		27	80	SW – 10 knots	0.5 – 0.8
06:00 PM		27	80	SW – 8 knots	0.5 – 0.8
